

# BID PROCESS REHAB UNITS

Thank you for considering Lanz Cabinets for your replacement cabinets. We look forward to the possibility of doing business with you. Below is the information we need to provide you with pricing.

---

## 1. JOB NAME AND ADDRESS

\_\_\_\_\_  
Name of Apartments

\_\_\_\_\_  
Builder (if known)

\_\_\_\_\_  
Street

\_\_\_\_\_  
City State Zip

\_\_\_\_\_  
year of construction completion

---

## 2. CONSTRUCTION METHOD

Face Frame (standard or full overlay)

Frameless (32mm European style)

---

## 3. MATERIAL SPECIFICATIONS

Lanz Cabinets provides replace cabinets only for our past projects. If the Lanz product and project is over (5) years old, material specifications and pictures may be helpful to identify what is needed. A sticker can be found on the top or back of the cabinet with job information on it.

---

## 4. BASIC CABINETRY DIMENSIONS AND LAYOUT

If blueprints and plans are not available, Lanz will require basic cabinetry dimensions for pricing purposes. These measurements do not need to be exact, just something to give us an idea of what will be needed for the project. The more detailed the information presented, the more accurate the pricing. Include a basic layout drawing along with any out of the ordinary additions (example: Lazy suzans, bread boards, glass doors, sub decking, etc.) Pictures are always helpful if available.

Please allow at least (1) week for pricing. This is from when we receive the above information.

NOTE: Field measuring and design engineering tasks are appointed AFTER we have a signed agreement. This is to alleviate lost time in the field and valuable design time. In addition, the signed contract also secures a spot for the project on our production schedule. Pricing may need to be adjusted to reflect any changes in cabinetry after the field measure.
